A chara,

Tá me mar bhall de **Dún Garbhán le Gaeilge**, an coiste ar a bhfuil an cúram Plean Teanga a ullmhú do Dhún Garbhán, chun é a fhorbairt mar Bhaile Seirbhíse Gaeltachta.

Ba mhaith liom sibh a mholadh as an tábhacht atá le Dún Garbhán mar Bhaile Seirbhíse Gaeltachta a aithint sa Dréacht Phlean 'Regional Spatial and Economic Strategy', tríd an athrú seo a leanas atá molta:

The proposed amendments to RPO 23: Dungarvan includes additional measures to strengthen Dungarvan's role as a Key Town.

It is proposed to make amendments to RPO 23: Dungarvan in Section 3.5: Key Towns as follows:

a. To strengthen the role of Dungarvan as a strategically located urban centre of significant influence in a sub-regional context and in its sub-regional role as a Gaeltacht Service Town, leveraging its strategic location along the Waterford Cork N25 Route and to build upon its inherent strengths including digital connectivity, skills, innovation and enterprise, tourism, culture and retail services.

Míle buíochas.

Ach tá ceist agam oraibh. Cén fáth an bhfuil sé molta an abairt seo a leanas a bhaint amach ón bplean?:

c. To support the development of Dungarvan as the Gaeltacht Service Town for Gaeltacht na nDéise.

Nach féidir ról Dún Garbhán mar Bhaile Seirbhíse Gaeltachta a laidriú & tacaíocht a thabhairt chomh maith?

Le gach deá ghuí
