Highlight

The future is bright. The future is LIFE

Since 1992 the LIFE programme has helped around 5 500 projects flourish across the EU and in third countries. Here is a preview of the new-look EU fund for environment and climate action, which will run from now up until 2027.

Celebrating European Natura 2000 Day and LIFE's birthday deep in the Sonian Forest

Last week we celebrated the European Natura 2000 Day and the LIFE programme's birthday. To mark both occasions, LIFE held a ceremony in the heart of Brussel's Sonian Forest – a Natura 2000 Special Area of Conservation.

Protecting our precious peat

Restoring and managing peatlands could improve water retention and quality, store carbon, reduce greenhouse gas emissions and improve biodiversity. Since 1992 LIFE has been working hard on this.
