Subject: non-material amendments to be considered for inclusion in the final Regional Economic and Spatial Strategy

Dear Sir / Madam,

Kerry County Council would like the following non-material amendments to be considered for inclusion in the final Regional Economic and Spatial Strategy for the Southern Region.

1. The importance of Inter greenway linkages between the North Kerry Greenway, South Kerry Greenway, Tralee -Fenit Greenway and other planned greenways in the County.
2. A strengthening of the role and importance of both Fenit and Dingle harbours to the economy of Kerry, identified clusters in the County and adjacent Counties.

Kind regards,

Damien Ginty.
A/Senior Planner.
